Dear Sir/ Madam

Annex B

eTeens STIs (Sexually Transmitted Infections) / HIV (Human Immunodeficiency Virus) Prevention Programme in Schools

- 1. In view of the increasing number of STIs reported among youth aged 10-19 years¹, HPB, in collaboration with the Ministry of Health (MOH) and the Ministry of Education (MOE), developed an STIs/HIV prevention programme titled *eTeens* for students in secondary schools and JC/CIs. The programme aims to raise awareness on STIs/HIV, inform students about ways to prevent infection and discourage risky sexual behaviours. Abstinence and upholding family values are the key messages in the programme.
- 2. *eTeens* for JC/CI 1 students comprises an assembly talk. It covers information on the transmission modes of STIs, the signs, symptoms and consequences of contracting STIs/HIV, effective methods of preventing infection including abstinence from pre-marital sex, being faithful to one's partner in the context of marriage as well as condom use. *eTeens* is conducted in schools by trained personnel from HPB. A factsheet on the programme, which is available on the MOE website², is enclosed.
- 3. If you do not wish your child/ward to attend this programme, please complete the form on the next page and return it to the school. For any clarification regarding this programme, please email us at hpb_yhp@hpb.gov.sg.

Thank you.

Yours sincerely

Dr Chris Cheah
Deputy Director
Communicable Diseases Education
Preventive Health Programmes Division
Health Promotion Board

¹ Reported cases of STIs among youth aged 10-19 years increased from 379 cases in 2014 to a peak of 442 cases in 2016.

eTeens Opt-out Form

Please complete this section if you DO NOT wish your child to attend the eTeens Programme and return it to the school.

I, (name), do not wish my son/daughter/ward*,
(name) of class, to attend the
eTeens STIs/HIV Prevention Programme conducted by the Health Promotion Board.
My reason(s) for opting out:
☐ My child is too young.
I would like to personally educate my child.
I am not comfortable with the topics/content to be covered.
☐ Religious reasons
I have previously taught my child the topics/content to be covered.
I do not think it is necessary for my child to attend.
☐ Others (please state):
Signature of Parent/Guardian Date

eTeens

Wise.Informed.Sensible.Empowered

AIMS OF ETEENS

- 1. The Empowered Teens (*eTeens*) programme aims to provide students with accurate information to help them make good decisions in their life choices. It raises awareness and knowledge about the following:
 - a) awareness of the different sexually transmitted infections (STIs) and HIV/AIDS;
 - b) modes of transmission for STIs and HIV/AIDS:
 - c) modes of protection against infection, specifically abstinence and the correct use of condoms;
 - d) consequences and impact of STIs/HIV;
 - e) ways of managing the impact of STIs

FORMAT OF PROGRAMME

- eTeens (JC/CI) consists of an assembly talk of about 1 hour. The talk will be delivered through a multi-media presentation, a video screening and presentation of key learning points. It will be conducted by a speaker engaged by the Health Promotion Board (HPB) from an approved panel.
- a) The video depicts the health, social and financial implications of STIs/HIV on an individual and his family, and emphasises the importance of responsible decision-making.
